

مجموعة رئيس حسن سعدي

Rais Hassan Saadi Group

introduction

Rais Hassan Saadi was established in 1910 and is the oldest national firm of shipping agents in the United Arab Emirates.

The Company has expanded and diversified beyond all recognition from its early origins and group activities now embrace all aspects of Logistics, Cargo Services, Transportation, Offshore Towage and Lighterage, General Trading, Travel, Insurance, Real Estate and Civil Contracting.

With the corporate office in Dubai, offices are maintained at all ports in the UAE and representative/affiliates in the other Gulf countries, Iran, India and the CIS.

shipping

COMPREHENSIVE GENERAL AGENCY SERVICES ARE PROVIDED TO THE SHIPPING INDUSTRY AT ALL COMPANY OFFICES TO SERVE THE MAIN LEADING CONTAINER LINES, BREAKBULK, RO/RO CRUISE LINERS AND TRAMP OPERATORS REPRESENTED IN THE GULF.

- ◆ An extensive marketing organization covers the entire country and seeks to secure the maximum import and export cargo.
- ◆ Handling of project cargoes from origin to final destination.
- ◆ Computerized support systems for container logistics and cargo management.
- ◆ Leasing of dry, refrigerated and specials on behalf of a leading international container leasing company.
- ◆ Tankers are attended at oil terminals and crew and supplies arranged at offshore rendezvous.
- ◆ Feeder and transshipment of containerized and conventional cargo.
- ◆ Comprehensive agency services to Cruise Liners including passenger transfer operations.

logistics & distribution

Rais Hassan Seadi (RHS) Logistics' regional distribution network offers access to 1.4 billion consumers in the markets of Gulf, Indian sub continent, East Africa as well as the emerging markets of the southern CIS.

RHS Logistics utilises state of the art software and first class warehouse management procedures including temperature controlled storage facilities and the latest developments in radio frequency terminals and bar coding technology in each of its four distribution centres: strategically located in Jebel Ali, the Dubai International Airport, Port Rashid and an onshore facility in Dubai city.

Our operations support:

- ◆ Multiple Business/Customer level SKU profiles and inventory segregation.
- ◆ User defined units of measure.
- ◆ SKU cross reference and substitution.
- ◆ Rules based storage and retrieval.
- ◆ Flexible reporting.
- ◆ Value added services (labeling, kitting and assembly)

cargo services

The cargo services division ensures the highest standards of product care in a fast moving cross docking operation. Within the exclusive container freight stations in Port Rashid and Jebel Ali, the cargo services division offers a wide range of services.
